

DRONEVATION & DEFENCE

DroneVation & Defence 2026 - Future Skies in Vienna

DVD26 brings together innovations in the drone sector and state-of-the-art drone defense technologies for air, land, and maritime operational areas in a single symposium. It offers professionals from industry, the military, research, and security a unique platform to present new developments in the field of unmanned systems and discuss them with international experts.

LOCATION

Vienna, Austria

REPORTING

Extensive Live and Post-Event Coverage

DroneVation & Defence 2025 received widespread media coverage both nationally and internationally. In addition to reports in daily, weekly, online, and trade publications, we also provided extensive coverage in Militär Aktuell, on militaeraktuell.at, on Militär Aktuell's social media channels, and on Militär Aktuell TV.
